McCabe Ben Noah Report

Why Jews say you were never under Moses,

10 Commandments, but under 7 civil laws only?

7 civil Noahide laws, what is this?

10 Commandments removed from my hometown courthouse yard, open the door for this controversy report, & opens doors, for so many “questions” + revealing many Torah- Tanach false misinterpretations & other unknown facts;

Under Jewish “Talmud” terminology what is their definition about NON-Christian righteous Gentiles? First 2500 years was there a name for a God ordained religion before Moses? What does Israel promise non-Christian righteous Gentiles in the new world? The world changing fast, ground breaking revolutionary knowledge never heard before.

Why you should never covert to Judaism? A Jewish view glimpse into the after life.

Why do some Jews believe their Moshiach is already here seen on TV

You can talk to God directly like in Torah- Tanach; what is the #1 most powerful little thing that can kill your prayer life??? Report explains, why sacrificial blood never cover Jews sins? Why Jews do not display 10 Commandments? Why, Jews do not believe in hell fire or a devil. What is the correct definition of one God? How will this affect you today? Is there two sides to a story? Most powerful Q “report” you’re read in your lifetime, much less the book “Thy God Is One”.

This full report first released in many so.IL. newspapers, full pages ; July 2025 expose two, no less than 50,000 people. Not one word from Christian defense.

Knowledge will increase, but Christians are only looking to prove what they already believe..... Everybody’s got truth, never consult Jewish scholars. Because propaganda, they’ve been labeled spiritually blind.
